Dear Carl:

It was a great pleasure for me to be on "Carl's Corner" on Monday, December 23, 2002. I realize that Radio Carnivale is a highly rated radio station in Miami. That means a great deal to me and to your listeners who must follow your every word. I may not speak Creole, but I understand your message and the deep concerns Haitian-Americans have for Miami and their homeland.

Thank you for sending me a print-out of our radio interview. I am especially pleased to have a copy of your Julius Caesar quote.

I wish you and all our friends in the Haitian-American community a "Joyeux Noel" and health and happiness in the new year.

With kind regards,

Sincerely,

United States Senator
